

My office would be happy to help residents of California's Second Congressional District secure a Presidential greeting for a very special occasion. You can request greetings for birthdays for individuals turning 80 years or older, wedding anniversaries celebrating 50 years of marriage or more, and for the achievement of the Eagle or Girl Scout Gold Award.

Please note that the White House places restrictions on which events are eligible for greetings and our office is unable to make exceptions. The White House also stipulates that all requests are sent directly to the honorees.

Presidential greetings take several weeks to complete. Please submit your requests using the form below at least four weeks in advance of the event. My office will contact you to confirm the information. If you have any questions, please contact my Washington, DC office at (202) 225-3076.
